in corporibus color menstruorum est color sanguineus et iste loquitur de corporibus in [illegible] et viarum modis quia in istis mulieribus menstrua saepe venit colorem et iste loquitur hic de corpore [illegible] quia in diversis [illegible] sunt corpore duarum fluminum debite erit per fluxum menstruorum et signa fluxus menstruorum sunt plura de quibus praedictum est

¶ Notandum quod [illegible] littera facit duo primo movet dubium et secundo solvit [illegible] ¶ Notandum secundum dubium et ideo quod sit color menstruorum verum sit color sanguineus vel color rubeus vel verum sit aliquis alius color ¶ Notandum ideo dubium solvit per unam distinctionem et distinctio est ista quod mulieres [illegible] sunt mulieres corporee et aliae in corpore ex ea distinctione duo primum est quod color menstruorum in mulieribus corporis est color sanguineus sed color in mulieribus corporis est varius color. ¶ Notandum dubitatur forte aliquis et diceret quod [illegible] de mulieribus corporis in capite ideo dubium [illegible] quod ideo dubium in [illegible] in mulieribus corporis [illegible] sed de corporis i. defectu mali et viarum modibus ¶ Notandum sicut patet in libro de mixtione colorum cum sunt duo colores extremi scilicet albedo et nigredo sed omnes alii colores generantur ex duobus illorum duorum extremorum

¶ Notandum quod color rubeus est color qui qualitate in comparatione albedinis et nigredinis sed alii colores dicuntur secundum quod accedunt ad extremum magis et minus ¶ Notandum quod color [illegible] in digestione est albedinis in aliquo et hoc patet exemplo quod sperma est albi coloris quia sperma est aliquid [illegible] digestionis in mulieribus in corpore [illegible] digestione est aliquid semidigestum et hoc habet colorem permixtum ex albedine et nigredine coaequale et ideo est color rubeus sed in mulieribus corporis male [illegible] color est debile et aliquid male digestum et hoc est color illorum menstruorum illarum mulierum [illegible] declinat ad nigredinem quam ad albedinem et est color [illegible] varius [illegible] color viridis ¶ Notandum quod [illegible] quod mulier [illegible] signa [illegible] quam aliqua mulier [illegible] menstrua et de istis signis vide [illegible]

Secundo posset aliquis dubitare. hic movet dubium secundum [illegible] posset aliquis dubitare utrum [illegible] menstrua fluunt quia [illegible] modo [illegible] vel [illegible] fluunt per [illegible] modo [illegible] quod fluunt per [illegible] et hoc modo [illegible] et [illegible] ¶ Notandum [illegible] quod [illegible] sunt de [illegible] et de loco [illegible] menstruorum de [illegible] [illegible] et solvendo [illegible] ¶ Notandum [illegible] loca [illegible] menstruorum de [illegible] [illegible] menstruorum de [illegible] [illegible] menstrua et [illegible] ¶ [illegible] [illegible] sed hoc [illegible] quia [illegible] loca menstruorum vel [illegible] et [illegible] ¶ Notandum alii dicunt alii dicunt quod [illegible] quod [illegible] et [illegible] quod stomachum et [illegible] ¶ Notandum [illegible] quod [illegible] loca menstruorum [illegible] venae [illegible] venarum [illegible] [illegible] et [illegible] venarum quae [illegible] [illegible] menstrua.

¶ Notandum secundum dubium est valde notabile [illegible] sicut est quod in [illegible] menstrua [illegible] ¶ Notandum [illegible] theologice quod [illegible] Dei sicut [illegible] fluxus [illegible] allegatur [illegible] in evangelio [illegible] quod [illegible] Christi clamaverunt [illegible] super nos et super filios nostros et allegatur [illegible] [illegible] et [illegible] ¶ Notandum [illegible] [illegible] quod [illegible] de [illegible] quod [illegible] dicit de feminis [illegible] quod [illegible] vindicta aliqua Dei [illegible] quia [illegible] et [illegible] in fluxum et [illegible] [illegible] quia [illegible] et [illegible] assignat [illegible] et [illegible] in [illegible] in fluxum [illegible]

[illegible] et [illegible] ¶ Notandum quod quaestio [illegible] solvimus [illegible] et digestivam et [illegible] digestionis aliquid et [illegible] digestionis aliquid et [illegible] corpus [illegible] vel [illegible] ¶ Notandum [illegible] alimentum digestum quia [illegible] [illegible] quod [illegible] alimentum [illegible] et [illegible] quia [illegible] sanguinea et colerica [illegible] et [illegible] calorem [illegible] complexionis [illegible] complexionis [illegible] quod [illegible] alimento [illegible] patet in libro de complexionibus quod alimentum [illegible] complexio [illegible] in mala [illegible] ¶ Notandum [illegible] quod cotidie [illegible] in locis [illegible] in [illegible] vel laborant et [illegible] calore [illegible] in digerendo quia motus et labor [illegible] calefactionis vel patet in [illegible] [illegible] male digeritur in [illegible] in mulieribus [illegible] et [illegible] menstrua [illegible] ¶ Notandum quod [illegible] fluxus menstruorum [illegible] bonos astronomos [illegible] quia [illegible] fluxum in [illegible] lunae et [illegible] patet in [illegible] [illegible] experientia [illegible] [illegible] et [illegible] [illegible] menstrua [illegible] ¶ Notandum quod [illegible] bona [illegible] complexionis [illegible] [illegible] complexionis [illegible] patet in libro de complexionibus [illegible] complexio et [illegible] fluxum menstruorum ¶ Notandum [illegible] et quod aliqua [illegible] alimentum [illegible] et [illegible] absolute [illegible] menstrua ab alimento [illegible] et fluunt [illegible] de [illegible] [illegible]

Tertio dubitatur aliquis. hic movet tertium dubium [illegible] quod [illegible] aliquis dubitaret quare [illegible] fluxus menstrua [illegible] alimentum [illegible] sperma quod [illegible] alimentum [illegible] solvit quod [illegible] quod [illegible] frigida et humida sed [illegible] calidus et [illegible] humidi et fluunt [illegible] mechanica [illegible] humida [illegible] et humidum [illegible] et [illegible] alimentum et ex [illegible] calor [illegible] valde modicus et [illegible] alimentum in mulieribus [illegible] quod [illegible] locum [illegible] fluunt [illegible] et [illegible] ¶ Notandum [illegible] quod [illegible] sperma [illegible] fluxus de [illegible] menstrua [illegible] de mulieribus [illegible] sicut alimentum [illegible] menstrua quod [illegible] alimentum [illegible] ¶ Notandum ideo dubium solvit ex eo quod [illegible] sperma ¶ Notandum [illegible] dicit quod menstrua [illegible] humidum aquaticum de [illegible] et fluunt [illegible] mechanicorum [illegible] menstrua fluunt [illegible] de [illegible] ¶ Notandum quod menstrua sicut humidum et aquaticum quod patet [illegible] quia mulieres sunt aquaticae [illegible] quia sunt [illegible] ¶ Notandum quod humiditas spermatis et humiditas [illegible] de [illegible] fluit et [illegible] sperma [illegible] in fluxu singulis mensibus de [illegible] [illegible] menstrua fluunt [illegible] ¶ Notandum [illegible] assignare est quod menstrua [illegible] [illegible] quod [illegible] [illegible] album [illegible] quia si [illegible] [illegible] et [illegible] menstrua vel [illegible] corporis [illegible] sperma [illegible] et [illegible] expellendo [illegible] sperma [illegible] ¶ Notandum [illegible] quod sperma [illegible] humidas [illegible] et [illegible] vel expellatur [illegible] quia [illegible] [illegible] quod menstrua [illegible]

notandum ideo dubium notabile quod [illegible] amici [illegible] ad [illegible] quod [illegible] ad [illegible] [illegible] [illegible] colorum quod color et qualitas [illegible] [illegible] [illegible] admixtione

in renibus est luxuriae ideo [illegible] facit in renibus ¶ Item ad signum
quando urina in accipitur nullum semen cadit vel paucum ideo est quia
matrix attenditur et non putatur semen incidere ¶ Nota quod in mulieribus
urinis quia matrix [illegible] calorem pure emittere semen et
cum accipitur sed non est hoc de renibus Item quod accipiens non
[illegible] semine ab [illegible] vel non in [illegible] fecundatur Item ad signum
si urina in colore semen [illegible] vide et siccata exit et per
magnam [illegible] matrix aperitur et quod clauditur [illegible] ¶ Ad
signum est si mixta post coitum non fluit 2m morem solidum
quia est mixta [illegible] in medium fecundatur scilicet de lacte et cum in
aqua fluit sed non de [illegible] vel si non fluit accipe et si fecerit
est accepto est sicut [illegible] de ore matricis propter calorem et
fiet dolor in renibus quia spiritus sunt clausi in matrice quod
[illegible] ad [illegible] et vehementer [illegible] ¶ Item ad 3 signum
si post coitum non appetit [illegible] coitum post acceptionem sed hoc est urina
[illegible] non quia ad urinas sit quod post coitum [illegible] acquiescunt
quasi coitum ¶ Nota quod urina calida et [illegible] [illegible]
urina mixta [illegible] ille apparent post in [illegible] quod mixta
in [illegible] [illegible] ad coitum et magis [illegible] [illegible]
quod post [illegible] in coitu [illegible] urinas non appareant
¶ Quarta signa scilicet si de colore [illegible] fiet [illegible] [illegible] quia
[illegible] cibum calorem et 2m morem [illegible] sicut [illegible]
vel [illegible] [illegible] rubee post acceptionem [illegible] caloris et [illegible]
pallide vel [illegible] febricitans ¶ Ad signum 3 si concupiscat
aliena cibaria scilicet poma in matrice [illegible] quando carbones
quando pullos est hoc quia post acceptionem cum mixta [illegible] humores
et in digestione ascendunt ad cerebrum et illi movent ad appetitum
aliquorum similium quia si sint calidi humores valde tunc appetunt
carbones si frigidi et humidi valde tunc appetunt [illegible]
matrem et [illegible] quia omne simile appetendum suo simili Nunc
autem hic post signa quibus scitur utrum accepit sit
masculus vel femella primum est si calor faciei rubeus et [illegible]
[illegible] est hoc quia calor rubeus est signum magni
caloris et si magnus est calor [illegible] est cum [illegible]
[illegible] ad masculum et cum urina levatur magis quia calore
primum [illegible] ¶ Aliud signum est [illegible] in dextra parte
et rotundatur [illegible] est quia de dextra parte [illegible] masculus [illegible]
parte fortiori et calidiori et tunc vel [illegible] rotundatur quia extenditur
et amplatur. Unde [illegible] habent oculos rotundos et magnos
vel [illegible] ¶ Ad signum si lac fluit de mamillis
est spissum et bene digestum ideo quod [illegible] est ad corpus
[illegible] et bene [illegible] ideo quod ideo quod non dividitur sed [illegible]
[illegible] et non fluens vel si id lac fundatur super [illegible]
plana si est non dividitur et fluit sicut aqua sed [illegible]
hoc est signum [illegible] coloris quia [illegible] lac coloris [illegible]
[illegible] et [illegible] et si fluit vel aqua est signum
femelle ¶ Nota calor habet plura opera facit [illegible]
et [illegible] [illegible] et [illegible] [illegible] [illegible]
et [illegible] [illegible] [illegible] ex [illegible] quia corpus humidum
et [illegible] [illegible] ¶ Nota aliud

signum est masculi si lac mamillarum fusum super urinam mulieris
[illegible] fundum [illegible] i. durum est quia si [illegible] fundum
durum hoc est signum quod sit bene [illegible] et spissatum a calore
naturali. Unde [illegible] est [illegible] [illegible] [illegible]
et [illegible] [illegible] in [illegible] cadit [illegible] quod cadit
durum et [illegible] duos [illegible] super [illegible]
cadit ¶ Nota ad signum si accipiatur sal et ponatur super
[illegible] mamillarum mulieris si hoc non [illegible] liquefacit i. [illegible]
vel [illegible] sui [illegible]. [illegible] nota quia si mamille sint calide
tunc calor facit [illegible] sal [illegible] sal [illegible] caloris [illegible]
[illegible] unde sal [illegible] ex aqua [illegible] et [illegible] bulliendo ideo
quod [illegible] aqua est [illegible] ad sal. ¶ Unde calor ignis [illegible]
de aqua [illegible] partes et illas [illegible] exalare et [illegible]
partes [illegible] humidas et [illegible] et [illegible] caloris [illegible]
et hoc signum quia quod [illegible] sal [illegible] [illegible]
¶ Nota quod [illegible] sal et [illegible] [illegible] [illegible] [illegible]
[illegible] de aqua et dissolvitur [illegible] et ideo si sal [illegible]
ad ignem [illegible] salit quia [illegible] [illegible] ¶ Item si
urina [illegible] [illegible] et [illegible] [illegible] et [illegible]
est signum masculi ¶ Et [illegible] post signa femelle [illegible]
et [illegible] nota scilicet si urina fuerit [illegible] et [illegible] et
pallida quia [illegible] facies [illegible] quia [illegible] mamille [illegible]
[illegible] et lac sit [illegible] et [illegible] et [illegible]
[illegible] [illegible] [illegible] [illegible] quia femella [illegible]
[illegible] [illegible] [illegible] nota quod aqua et [illegible]
et [illegible] et ideo lac fit [illegible] et si fundatur super [illegible]
[illegible] et [illegible] [illegible] et [illegible] [illegible] quia humidum
aqueum est quod non est [illegible] [illegible] alieno et [illegible]
pallida in facie et [illegible] si est femella [illegible]
[illegible] si masculus [illegible] et si lac mamillarum ponatur
super urinam [illegible] et [illegible] [illegible]
[illegible] ex [illegible] ¶ Et est ad [illegible] [illegible] et [illegible] si [illegible]
[illegible] [illegible] [illegible] [illegible] [illegible] [illegible]
si [illegible] [illegible] [illegible] [illegible] [illegible]
si [illegible] non est [illegible] accipit et [illegible] hoc [illegible]
quod [illegible] [illegible] [illegible] de aqua et vinum de melle
[illegible] [illegible] [illegible] melle et [illegible] aqua et
vinum et forte [illegible] [illegible] [illegible] et [illegible]
ideo [illegible] [illegible] [illegible] [illegible] et si [illegible]
[illegible] dolorem capitis vel [illegible] [illegible] vel [illegible]
[illegible] hoc [illegible] [illegible] [illegible] dolorem capitis et [illegible]
[illegible] [illegible] [illegible] [illegible] aqua [illegible] et [illegible]
[illegible] umbilicum [illegible] [illegible] et [illegible]
[illegible] [illegible] et [illegible] et [illegible] dolor [illegible]
¶ Item [illegible] dulce [illegible] [illegible] [illegible]
mala et [illegible] [illegible] [illegible] [illegible]. Unde dulce
[illegible] in stomacho sed quia [illegible] calor stomachi [illegible]
[illegible] [illegible] [illegible] [illegible] [illegible] [illegible] umbilicum
¶ Et nota si urina est pallida in facie est signum femelle quia
[illegible] est signum [illegible] in facie [illegible] [illegible]
[illegible] et de aliis Post hec videndum hic [illegible] [illegible]
[illegible] et [illegible] [illegible] post signa [illegible] [illegible] signa [illegible]
[illegible] quod [illegible] [illegible] [illegible] [illegible] [illegible] [illegible]
[illegible] [illegible] [illegible] quia [illegible] vile est [illegible] [illegible]
